UX/UI Designer
Buenos Aires

ROKO Labs is a fast growing strategic product and technology consultancy based in NYC. We are seeking a highly motivated and resourceful person who enjoys solving complex problems! We have developed a great track record of working with large Fortune 500 companies and VC-backed startups. Our clients have grown and raised additional capital and still others have been acquired (by Apple and others). We are incredibly proud of our work and would be excited to share it with you! Our client's value that we understand their businesses and help to build products that users love! Additionally, our extended team spans multiple countries, making for fun cultural exchanges.

As a **UX/UI Designer**, you will be responsible for understanding user requirements, designing graphic elements and building navigation components. To be successful in this role, you should have experience with design software and wireframe tools. Also, you will create both functional and appealing features that address our clients' needs.

If you also have a portfolio of professional design projects that includes work with web/mobile apps, we would like to meet you.

RESPONSIBILITIES:

- Gathering and evaluating user requirements, in collaboration with Product Managers and Engineers
- Illustrate design ideas using storyboards, process flows and sitemaps
- Design graphic user interface elements like menus, tabs and widgets
- Build page navigation buttons and search fields
- Develop UI mockups and prototypes that clearly illustrate how sites function and look like
- Create original graphic designs (e.g. images, sketches and tables).
- Prepare and present rough drafts to internal teams and key stakeholders
- Identify and troubleshoot UX problems (i.e., responsiveness)
- Conduct layout adjustments based on user feedback
- Adhere to style standards on fonts, colors and images.

REQUIREMENTS:

- Experience as a UI/UX Designer or similar role
- Portfolio of design projects
- Knowledge of wireframe tools (e.g. wireframe.cc and InVision)
- Up-to-date knowledge of design software like Adobe Illustrator and Photoshop
- Team oriented, strong communication skills to collaborate with various stakeholders
- Studies in Design or relevant field

WE OFFER:

- Interesting and challenging projects;
- Competitive salary;
- Flexible working hours;
- Work in friendly professional teams.

If interested, please submit your resume to ar-jobs@rokolabs.com.
